

The Youth Employment Skills (YES) Program...

Is an on-base volunteer program for high school students and is offered at selected Air Force bases. This program, underwritten by the Air Force Aid Society (AFAS), is a joint effort between AFAS and Air Force Family Member Programs Flight to offer high school students an opportunity to learn valuable work skills, "bank" dollar credits toward their post-secondary education/training, and have a positive impact on their base community.

YES allows high school students to "bank" \$4 in grant funding for every hour volunteered in an on base function. Students may accumulate as much as 250 hours over all 4 years of high school combined, for a potential maximum of \$1,000 toward their future vocational-technical or academic endeavors. In addition, the base will be credited with \$2 for every volunteer hour, to be used in support of base youth program enhancements (up to \$10,000 per year).

Student volunteer dollar credits will be disbursed annually. Proposals for use of these credits will be made jointly from both the Youth Director and the participating students. AFAS HQ will give final approval before disbursement of funds. Suggestions for proposals include visible enhancements such as recreation improvements, computer labs for student use, and money management programs for youth, and informational seminars on local Vo-Tech/Career opportunities (Vo-Tech Job Fairs).
